Explore the book, *The Five Principles: A Guide to Practical Spirituality* by Ellen Debenport. The 5 Unity Principles constitute the core teachings of the Unity spiritual movement founded in 1889 by Charles and Myrtle Fillmore. These same principles reflect the laws of the universe that apply to everyone, all the time. They are reflected in every major religion and in Jesus' teachings. The course is designed to expand the participant's understanding of the five principles of the Unity church. The student will be encouraged to work with the principles, test them and apply them to their life, then see what happens.
